

# Find the Best Card Payment Solution for Your Business

## Are you looking for a card machine?

Yes

No

### iK Tap on Phone

Use your smartphone to take Tap & Go card payments anywhere with iK Tap on Phone. It's the new, safe and affordable way to take card payments without a card machine.

## Would you like to pair it with your smartphone?

No, I'd rather not use my smartphone

Yebo, yes!

## What type of card machine are you looking for?

### iK Mover

Lightweight and portable, the iK Mover is perfect for businesses on-the-move. With Bluetooth connection to your smartphone, lightning-fast Tap & Go transactions and digital receipts, you can accept payments wherever business takes you.

Modern design with a touchscreen

Classic design with buttons

### iK Flyer

Our fastest card machine, the iK Flyer takes payments and prints receipts in seconds. With dual 4G SIM cards and WiFi connectivity for ultra-fast transactions, it's the perfect choice for fast-paced businesses.

### iK Shaker Solo

Powerful and reliable, the iK Shaker Solo is excellent for fast-growing businesses. With all-day battery life and a built-in 4G SIM, you'll keep trading even if the WiFi drops or the power goes out.
